LIFE

The LIFE program supports projects in the areas of the environment, nature conservation and climate policy.It has a budget of EUR 5,45 billion for the 2021-2027 funding period. Public institutions, private profit-oriented institutions as well as private non-profit-oriented institutions (NGOs) from the EU countries can participate.

The new LIFE sub-programmes:

- **Nature and biodiversity** (protection and restoration of Europe's nature and halting and reversing biodiversity loss)
- **Circular economy and quality of life** (facilitating the transition toward a sustainable, circular, toxic-free, climate-resilient economy and improving the quality of the environment)
- **Climate change mitigation and adaptation** (contribute to a sustainable, energy-efficient, climate-neutral and resilient economy, thereby contributing to sustainable development)
- **Clean energy transition** (support the delivery of EU policies in the field of sustainable energy: European Green Deal, Energy Union, European Union's 2050 long-term decarbonisation strategy)
