

Information Event "Financing Energy Efficiency"

Field: Energy

Date: 5 December 2018

Location: Frankfurt a.M.

Organizer: EU Commission

On 5 December 2018, the EU Commission organizes an information event to present the financing and the development of new potentials for energy-efficient solutions and to discuss them with stakeholders.

The event is organized in cooperation with the German Federal Ministry for Economic Affairs and Energy and the UN Environment Finance Initiative and is part of the Sustainable Energy Investment Forum (SEI).

SEI is funded by Horizon 2020 and is committed to the implementation and financing of sustainable energy systems. Central national stakeholders will be involved, with whom it is possible to network and to exchange experiences on energy-efficiency projects. Germany, France and Austria are the focus of this event.
