

## Aims

- ▶ ERRIN combines knowledge transfer as well as joint actions and project partnerships with the aim of strengthening the research and innovation capacities of member regions and increasing their success in EU programmes.
- ▶ ERRIN aims to influence EU strategies to better respond to the needs of European regions. ERRIN is also involved in debates with EU institutions and participates in EU consultations.
- ▶ ERRIN's members meet regularly in thematic workshops and major networking events to exchange information and knowledge about EU funding and project opportunities, to form transnational consortia and to develop joint projects.
