
Brokerage Event "Advanced Materials and Nanotechnology"

Field: Advanced Materials and Nanotechnologies

Date: 20 November 2018

Location: Birmingham, UK

A brokerage event on Materials and Nanotechnology Topics 2019 in the 2018-2020 Horizon 2020 work programme will be held in Birmingham on 20 November. The event is organized by the National Contact Points of Great Britain, Poland and Germany in cooperation with the Enterprise Europe Network in the UK.

The purpose of the event is to assist interested parties in the formation of consortia for the submission of applications under the "Nanotechnologies, Advanced Materials, Biotechnology and Advanced Manufacturing and Processing! (NMBP) Topics.

No participation fee will be charged for the event, but registration is mandatory.
