

## H2020 European Health Brokerage Event

**Field:** Health

**Date:** 03./04.09.2018

**Place:** Oslo

On 03 and 04.09.2018, a free International brokerage event of the health NCP NET 2.0 will be held in Oslo together with the Research Council of Norway on the invitations to tender 2019 of the first social challenge „health demographic change and well-being“. Interested parties are assisted in the search for project partners for the upcoming calls for tenders and can exchange ideas with other participants about projects.
