

## **Brokerage Event "Wissenschaft mit und für die Gesellschaft (SWAFS)"**

**Field:** Science with and for Society (SWAFS)

**Date:** 14 December 2018

**Location:** Brussels, Belgium

**Organizer:** EU Commission with SiS.net

On 14 December 2018, a brokerage event will be held in Brussels for the current call for proposals in the programme field "Science with and for Society". The event will facilitate the search for partners and the establishment of consortia. The profiles of the participants will be posted on the event website. The brokerage event will be hosted by the European Commission together with SiS.net, the European Network of National Contact Points for the programme field Science with and for Society.
