

## Conference "EU Research and Innovation in Our Daily Life"

**Field:** EU Research

**Date:** 27 November 2018

**Location:** Brussels, Belgium

**Organizer:** EU Parliament

The European Parliament is hosting a conference on 27 November 2018 entitled "EU Research and Innovation in Our Daily Life in Brussels.

The research projects funded by the European Union play a key role in improving our daily lives. Thousands of talented people have transformed Europe into a competitive global model through state-of-the-art innovation. To honor them, Antonio Tajani, President of the European Parliament, and Carlos Moedas, Commissioner for Research, Science and Innovation of the European Commission, are organizing a high-level conference.

The conference aims to facilitate exchanges between policy makers and stakeholders, citizens, EU representatives, Member States, universities and research institutes on new ideas and proposals.

Registration is possible until 13 November 2018.
