

dena Energy Conference 2018

Field: Energy and Climate

Dates: 26-27 November 2018

Location: Berlin

Organizer: German Energy Agency (dena)

"Set Course towards 2030!" is the title of this year's German Energy Agency (dena) conference. Decision-makers and experts from politics and business are invited to exchange views on energy and climate policy challenges and to discuss cooperation among European countries.
