EU Design Days 2018

Field: Digitalisation and Design
Date: 14 November 2018
Location: Brussels, Belgium
Organizer: Design Days

The focus of the EU Design Days 2018 is on digitization and design. In addition to new insights into design-related creative innovation systems and potential digital collaboration, you will have exceptional opportunities to extend your network, participate interactive workshops and engage in discussions with art and design professionals, research and policy makers.
