

14.-16.10.19: European Big Data Value Forum

Date: 14. -16.10.2019

Location: Helsinki, Finland

Organizer: Big Data Value Association (BDVA) and the European Commission

The European Big Data Value Forum 2019 aims to continue the success of previous editions, which attracted an average of 700 industry professionals, business developers, researchers and policy makers from 40 different countries each year. It will be organised in October and 600 participants are expected.
