
Festival of Digital and Creative Cultures KIKK

Field: Creative Europe

Dates: 1-4 November 2018

Location: Namur, Belgium

Organizer: KIKK

The 2018 KIKK festival of digital and creative cultures' title is "Species and beyond". The event brings together participants from around the world - designers, academics, entrepreneurs, artists, architects, developers and musicians. As part of the festival, conferences, exhibitions and workshops take place and there is room for networking and exchange
