# Conference ICT 2018

**Field: ICT**
**Dates: 4-6 December 2018**
**Location: Vieann, Austria**
**Organizer: European Commission**

As part of the EU Presidency, Austria will host the European Commission's most important European research and innovation event in 2018. The event will take place in Vienna from 4 to 6 December 2018 in the conference center "Austria Center Vienna".

The event will focus on EU priorities for the digital transformation of society and industry. The event is aimed at researchers, policymakers and anyone interested in the future of information and communication technologies in Europe.

In addition to networking sessions, presentations by high-ranking speakers and the presentation of the results of successful EU projects are planned.
