SOUTH DENMARK  
EUROPEAN OFFICE

**ERRIN**

European Regions  
Research and Innovation Network

# ERRIN

- Network of and for regions in Brussels - research & innovation, project development
- 15 thematic working groups
- South Denmark in energy, health and policy
- Activities:
  - Working Group Meetings (4-5 yearly)
  - Project workshop
  - Partner search

# Coral

Regional Policies for  
Active and Healthy Ageing

[www.coral-europe.eu](http://www.coral-europe.eu)

# CORAL

- Informal network of approx. 40 regions and institutions
- Active and healthy aging
- Purpose: independent living, value-based health care, growth and employment
- Region of Southern Denmark member since 2009
- Activities:
  - Working Group Meetings (5-6 yearly)
  - project work
  - Impact
  - profiling

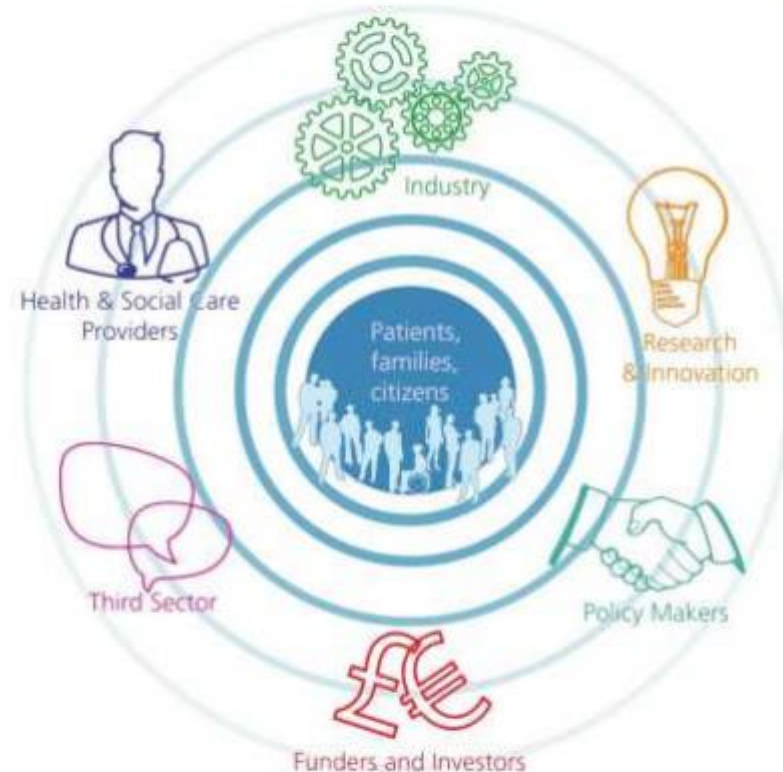

# Connected Health Ecosystems

An informal and open community of stakeholders interested in developing a joint eHealth agenda

## Ecosystems are:

- **Multi-stakeholder communities** within a country or region who build projects and implement innovative solutions
- They are **permanent**
- **Regular** (4 meetings per year)
- Part of an **international network** - sharing and learning with other Ecosystems

**“eHealth Ecosystems could be the answer to the strain our social security systems are undergoing. If we work together and use the enormous potential technology has to offer us, we can ensure top healthcare for all in Europe” Neelie KROES, Former Vice President of the European Commission**

# European Innovation Partnership on Active and Healthy Ageing (EIP on AHA)

# EIP on AHA

Established by the European Commission in 2011

Purpose: Increase life expectancy with 2 healthy years

Quadrupole helix
