Work Programme Horizon Europe

The work programme for Horizon Europe with the calls for the years 2021 to 2022 was published in June 2021. Equipped with a total budget of 95,5 billion euros, the new work programme offers both open-theme and thematic funding lines for all scientific disciplines from 2020 to 2022. The call topics cover a broad thematic spectrum and range from basic research to market launch activities.
