

Horizon Europe: Experts for projects 2021-2027

The European Commission has published a call for interest to review project proposals under Horizon Europe: > **Call for expression of interest** (https://ec.europa.eu/info/funding-tenders/opportunities/docs/2021-2027/experts/call-for-expression-of-interest_en.pdf) .

Experts who are already registered in the database do not need to reapply. However, they may have to express their willingness to undertake an assessment activity within the framework of Horizon Europe and can also update their data.

You can apply for a review electronically via the European Commission's funding portal.

You can find the **website for the project assessment** > **here** (<https://ec.europa.eu/info/funding-tenders/opportunities/portal/screen/work-as-an-expert>) .
