International B2B Software Days

Field: ICT
Dates: 14-15 March 2019
Location: Vienna, Austria
Organizer: Austrian Research Promotion Agency (FFG)

The Austrian Research Promotion Agency (FFG), which is also responsible for EUREKA projects, organizes the "International B2B Software Days" with various partners from 14 to 15 March 2019 in Vienna. Participants will have the opportunity of attending keynotes, workshops, pitch sessions and, in particular, engage in discussions with other conference attendees and experts to develop ideas for joint research or development projects.
