Events of the EU Academic Network Saxony-Anhalt, winter term 2022/2023

- Dear researchers,

The EU Higher Education Network Saxony-Anhalt is pleased to invite you again this semester to a variety of online information events on the topic of EU research funding. You can find the individual events in the attached provisional programme.

The programme will be updated and supplemented on an ongoing basis, so it's worth checking back regularly.

We look forward to your participation.

Please register for the free information events with the contact person named in each case.

Your team of the EU Academic Network Saxony-Anhalt.

The **programme** for the winter term 2022/2023 **will soon be available here**.
