

**You are a researcher at one of
Saxony-Anhalt's universities or work
in university administration and**

- ▶ would like to participate in the current European framework program for research and innovation Horizon Europe or in EU programs like Interreg, Erasmus+ KA2 & KA3 or ERA-NET,
- ▶ want to apply for project proposals or be the coordinator of one,
- ▶ wish for support with project implementation,
- ▶ have general questions about EU matters?

**We support researchers, project teams
and administrations of universities in
Saxony-Anhalt in the acquisition and use
of EU funding for research and innovation.**

Our full service includes:

- ▶ individual funding and application advice
- ▶ support with project and contract management
- ▶ access to information via our network website
- ▶ organization of info sessions and workshops on EU research funding programmes
- ▶ cooperation with other EU support institutions and coordination of joint activities
- ▶ strategic support of university management and administration in regard to questions on EU funding
